A MAN can hold a dollar so near his eye that he can't see Wall Street---and

a woman can pay so much atten-
tion to PRICE that she neglects the
element of QUALITY which after
all is the only TRUE ECONOMY.

In our constant endeavor to give

As You Thrive--- We Develop

The First National Bank is dependent on you for its
success and development. As you progress, we grow.
Perhaps it is because we are keenly conscious of this
that we have for twelve years made a continued
effort to help our patrons with sound advice on finan-
cial matters.

We want to give you the benefit of any knowledge of
local conditions we may have acquired in that time.
Let's talk it over.
